

EarthShare GEORGIA

OUR VISION: Everyone takes action for a healthy planet.

ACCOMPLISHMENTS BY THE NUMBERS

Our Nonprofit Partners are working hard every day for clean and abundant air, land and water. The following is a sample of their annual successes.

\$2.3 million of grants announced by **Park Pride** for capital park improvements to communities across the City of Atlanta and unincorporated DeKalb County. This is the largest grant cycle in Park Pride's history. 60% of the allocated funds will benefit parks in low-income neighborhoods, building upon Park Pride's efforts to make great parks a reality in every neighborhood in Atlanta.

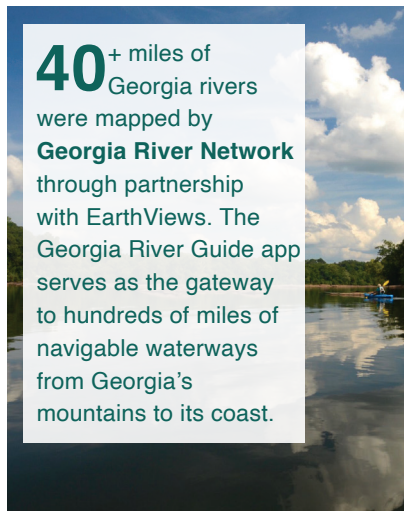

\$2.1 million contributed by fifty-eight chapters in direct financial support to **Friends of Georgia State Parks & Historic Sites** through projects, programs, and equipment.

41 campers attended **Southern Conservation Trust's** Camp WILD using nature-based themes to provide environmental education.

40+ miles of Georgia rivers were mapped by **Georgia River Network** through partnership with EarthViews. The Georgia River Guide app serves as the gateway to hundreds of miles of navigable waterways from Georgia's mountains to its coast.

92,000 acres managed and 389,595 trees planted by **The Nature Conservancy, Georgia**.

2.7 million pounds of litter and debris were cleaned up by **Keep Georgia Beautiful Foundation's** network of affiliates and volunteers.

4,648

Neighborhood Water Watch samples collected and tested by **Chattahoochee Riverkeeper**.

7,400

trees planted by **Trees Atlanta**.

550

unique acres of greenspace restored by **Trees Atlanta**.

21,000

students benefitted from programs offered by **Elachee Nature Science Center**.
